MESSAGE FROM RAMA MOHAN RAO HEBBARE, FOUNDER

Bhavasar Kshatriya Education Trust is an independent charitable trust helping children in need to get the most out of their education, so that they can create better future for themselves.

We truly believe supporting a child's education is the best way to help break the cycle of disadvantage. By giving the destitute children, the support and resources they need to achieve their full potential, our impact will not only have a lasting effect on the children we help today, but also for the generations to come.

Our vision is to transform the lives of families in India by educating and empowering the underprivileged children.

We are truly grateful to many of the caring patrons who support the work we do for the children in need. Without their generosity, our work simply wouldn't be possible.
