## MESSAGE FROM RAMA MOHAN RAO HEBBARE, FOUNDER

Bhavasar Kshatriya Education Trust is an independent charitable trust helping children in need to get the most out of their education, so that they can create better future for themselves. We truly believe supporting a child's education is the best way to help break the cycle of disadvantage. By giving the destitute children, the support and resources they need to achieve their full potential, our impact will not only have a lasting effect on the children we help today, but also for the generations to come. Our vision is to transform the lives of families in India by educating and empowering the underprivileged children.

In these unprecedented times when COVID-19 continues to spread and impact almost every individual, underprivileged children are the most affected now and, in the times, to come. Families dependent on casual, low paid or unstable work, have lost their jobs, having very little to fall back on. This break in income has caused devastating consequences. For families in poverty, missing work directly relates to missing meals and discontinuance of children's education. Some of these children have lost one or both their parents. The poorest households, including those suddenly impoverished

by this crisis need support to survive this shock and ensure their children are protected. To avoid lasting damage to their future, we must act now rapidly scaling up support for these children.

Though, we are truly grateful to many of the caring patrons who support the work we do for these children, we urge everyone to support the children in whatever small way they can. Without their generosity, our work simply wouldn't be possible.

## SCHOLARSHIPS DISTRIBUTED DURING 2021

*We are deeply saddened by the sudden demise of **Shri Bhaskar Rao Basutkar**. We are proud to have known such a kind, warm and brilliant person. He was a Member Trustee of BKET and he was very active in all the activities of BKET. Our prayers and thoughts are with him and with those he left behind. It is a great loss to the Trust. His father Late Basutkar Sankar Rao was also President of B.K.Mandal, Kurnool and during his tenure, the land was purchased where the present Bhavasara Bhavan comprising of Temple, Community & Marriage Hall is constructed.*
